Phonics

Phonics- Phase 2-

'b'- b, b, ball

What you will need:

- Gratnells F1 Shallow Tray
- Gratnells SortED insert
- Bouncy balls (choose the number of words you want to focus on and then get the right amount of balls.)
- Pen
- Downloadable tray label

What to do: (Teacher/Teaching Assistant)

1. Label the tray using the downloadable label.
2. Get one insert (Gratnells SortED) and label it.
3. Write the CVC words onto the balls.
4. Place all the balls into the main part of the tray.

What to do: (child)

1. Ask the child to read as many words on the balls as they can.
2. When the child has picked up a ball, they have to carefully segment and blend the sounds in the word to read it correctly.
3. Encourage them to say 'b, b, ball' as they are reading to check the pronunciation of the sound.
4. When the word has been read, place it into the insert.

Differentiation:

Easier:

Play catch with one of the balls. Every time the child catches it, they have to say 'b, b, ball'.

Harder:

Pick a ball and put the word into a sentence (verbally or written).
