## Phonics- Phase 3-

### 'ph' – ph, ph, phonics

#### What you will need:

- Gratnells F1 Shallow Tray
- Downloadable tray label
- Card (3 colours)
- Scissors
- Pen

#### What to do: (Teacher/Teaching Assistant)

1. Label the tray using the downloadable label.
2. Write out words onto the card (some on each colour)
3. Cut out the words and place into the tray.
4. Cut out the remainder of the card into squares and place into tray.
5. Mix all the words and cards up.

#### What to do: (child)

1. Ask the child to find and read as many words as they can.
2. Look through the tray to find a word to read. Some cards will be blank.
3. Encourage them to say 'ph, ph, phonics' as they are reading to check the pronunciation of the sound.

#### Differentiation:

##### Easier:

Add sound buttons to the word cards.

##### Harder:

Add partner to make it a competition. If you find a blank card you miss a go. First one to read 10 words is the winner.
